

How to join in Zoom from Whova app.

- (1) Click “Agenda” on left menu.
- (2) A list of sessions will be displayed, so click “View Session”.
(You can also click the session name.)

The screenshot shows the Whova app interface for the 2021年度 Physics Conference / The 6th Asian Applied Physics Conference. The left sidebar contains a menu with items: Home, Agenda, Sessions, Speakers, Attendees, Community, Messages, Photos, Sponsors, Leaderboard, Resources, Feedback to Whova, Organizer Tips, and About Whova. The 'Agenda' item is circled in green, and a red arrow labeled (1) points to it. The main content area displays a list of sessions. The first session, '4Ap1-6 薄膜・表面', is highlighted with a green circle around the 'View Session' button, and a red arrow labeled (2) points to it. The session details include the time (12:36 PM), room (Room A), and 6 Subsessions. Below it are two more sessions in Room B and Room C, each with a 'View Session' button.

[Important]

-The same URL will be used for the Zoom rooms at each session on the afternoon of December 4 (Sat).

-The Zoom room is scheduled to open 1 hour before the start of the first half of the PM session on December 4 (Sat).

-On the session webpage after PM 2nd session on December 4 (Sat), the Zoom room is set to be displayed 15 minutes before the session start. Please be careful when entering the room, as the previous session's presentation may still be going on.

(3) Select either “Join in Zoom” or “Join in Whova”.

Zoom window in Whova.

注意：

- Chrome recommended. It may not work well with Firefox.
- Permission for microphone, camera, screen sharing, etc. is required.

If it is not displayed properly in Whova, click “Join in Zoom” at the bottom of the screen. The Zoom app will launch.

The screenshot shows the Whova interface for the 2021 Asian Applied Physics Conference (6th Asian-APC). The main content area displays a session titled "Zoom Test Session" by Tooru Tanaka. The session details are highlighted with a green box and include:

- 2021応用物理学九州支部学術講演会 / Asian-APC 2021.12.4 (E), S (C) online 開催
- Zoom Test Session 応用物理学九州支部
- 発表原稿の共有などを試していただけです。共有した状態でお近くの別のパソコンで同じURLにアクセスすることで見え具合を確認できます。テストが終わったら、必ず画面共有を終了してください。他の人が共有できなくなります。
- Zoomルーム入室後、「29pA-1:応物太郎」のように変更して下さい。
- You can try sharing the presentation slides. You can check the appearance by accessing the same URL on another computer near you. Be sure to end sharing mode when the test is over. Other person cannot test sharing mode.
- Please change your name as "29pA-1: Taro Obutsu" after entering Zoom.

At the bottom of the session card, a blue button labeled "Join in Zoom" is circled in green. A green arrow points from the text above to this button. Below the session card, there is a note: "Due to Zoom's Web SDK (used to embed Zoom meeting into Whova), a very small set of users may experience black screen issues with Zoom. Follow these steps to address these issues." The bottom of the page shows the event details: Room A, 4Ap1-6 薄膜・表面, Sat. Dec 4, 2021, 12:36 PM - 2:00 PM, Room A, 1 Attending.
